BULGARIA RAIL LINE HEAVILY BOMBED; RUSSIANS' BORDER SWEEP UNCHECKED

MASSSES OF RED ARMY INFANTRY, CAVALRY AND TANKS MOVING

POURING THROUGH HOLE IN GERMAN LINE RUSSIANS NEARING BORDER

By HENRY C. CASSIDY

MOSCOW, Nov. 15.—(AP)—Masses of Red army infantry, cavalry, tanks and self-propelled guns pouring into the hole west of Kiev to Baranovka have reached a point only 35 miles from the pre-war borders of Russia and Poland.

A 42-mile advance took the plunging Soviet armor into Baranovka since the capture of the rail junction of Zhitomir on Saturday.

Thirty-eight miles to the northwest of Baranovka is the town of Gorodnitsa, just inside the old Russian border. Fifty-two miles directly west of Baranovka is Ostrog, just inside the old Polish frontier.

The old line of demarcation slanting to the northeast from Ostrog comes within 35 miles of the present Red army lines.

Gen. Nikolai (Lightning) Vatutin's First Ukrainian army which has rushed into the 130-mile-long salient west of Kiev in a mighty breakthrough of German defenses had 150 miles to go, however, before reaching the nearest point of the German-Russian demarcation line through Poland that existed in 1941 when the Germans began their invasion of Russia.

The Red army was surging close to Korosten, a rail junction near Zhitomir that would give control of a 50-mile section of the Leningrad-Odessa line.

Berlin reports battle today that a big battle was raging in the Dnieper Bend after the Russians, hurling nearly 500,000 men against the German defenses, had broken through between Zhitomir and the north and northwest of Krivoriog.

(The Paris radio in a broadcast recorded by Reuters also said that the Russians had broken through the Dnieper on both sides of Cherkassy, about 70 miles northwest of Kremenchuk.)

A Russian communiqué announced that 50 towns were swept up in the continuing drive toward the old Polish border, now less than 60 miles away.

While troops on the right flank of Gen. Nikolai F. Vatutin's First Ukrainian front pushed ahead after capturing Chepivichi, 15 miles northeast of Korosten, Central units drove directly west past retaken Zhitomir. This force yesterday took Baranovka, 30 miles west of Zhitomir, exceeding the pace of more than 10 miles a day which has been made between Kiev and Zhitomir.

Vatutin's striking force is composed of tanks, armor and motorized infantry, capable of progressing closely on the heels of the retreating Germans. The Soviet communiqué said the swift movement of Russian troops has liberated 4,000 civilians whom the Germans were driving to slave labor in Germany.

On the left flank Vatutin's men were reported to be meeting and overcoming repeated German counter-attacks. On one sector, the communiqué reported that Russian troops broke through enemy resistance and captured a populated place. The Germans

Gripsholm Docks at Rio.
RIO DE JANEIRO, Brazil, Nov. 15.—(AP)—The repatriation ship Gripsholm, bringing 1,500 citizens of the Americas home from Japan, arrived here today after a long and arduous journey. The ship is en route from Mormugao, Portuguese India, to New York.

HITLER'S INTUITION OR FLASH HORSE SENSE BRINGS FORECAST OF DIRE TROUBLE FOR GERMANS

By DEWITT MACKENZIE

Associated Press War Analyst.
Nazism's great man, who claims to work his wonders by intuition, indeed seems to have had a flash of horse sense during his recent Munich Beer-Cellar speech when he told his people in about 30 many words that they were headed for mountains of grief.

The Titanic battle on the Russian front has worsened suddenly for the Hitlerites. Two outstanding developments indicate that the greatest of all armed conflicts is in the midst of another far-reaching crisis. These events are:

1. The Red avalanche has engulfed Zhitomir, thereby slashing Hitler's thousand-mile front virtually in two, and pointing a spearhead into the German rear, some sixty miles away. It is one of the key victories of the war.
2. The Germans today announced that half a million Russian troops have broken through the Nazi defenses in the Dnieper-Rend trap which the Muscovites are trying to close about the Hitlerites in that region. This hasn't been confirmed by the Soviet.

Bricker Announces Formally He Will Seek Nomination

COLUMBUS, O., Nov. 15.—(AP)—Gov. John W. Bricker announced formally today he was a candidate for the Republican presidential nomination.

His statement also renounced any bid for a fourth term as governor. "In view of the great needs, confidence of the fact that the Republican party will be called upon to lead our nation at the next election, I shall be a candidate for President of the United States in the Ohio primaries and before the Republican National Convention," he asserted.

BADOGGIO PROMISES TO RESIGN AS SOON AS ROME CAPTURED

ALSO INDICATED THAT KING EMANUELE'S ABDICATION MATTER OF TIME

By WES GALLAGHER

ITALIAN HEADQUARTERS in Italy, Nov. 15.—(AP)—Premier Marshal Pietro Badoglio's pledge to resign as head of the Italian government when Rome falls was quickly followed today by strong indications that King Vittorio Emanuele's abdication is only a matter of time.

Dr. Leopoldo Piccardi, who quit as minister of labor and commerce on the heels of Badoglio's statement yesterday, reflected the general attitude that the end is near for the monarch when he told friends he could not afford to be associated with Premier's proposed "technical cabinet" and, by inference, with the King.

By his statement that he would quit when the allies reach Rome, Badoglio had attempted to indicate he would stay in office until the Germans are driven from the country.

Badoglio's decision was a direct result of his refusal to take part in any government which unseats the aged King.

"When I was 17," the Marshall said at a press conference, "I swore loyalty to the King and will keep faith as long as I live."

In a statement, issued last night, he confirmed reports that Count Carlo Sforza, pre-fascist foreign minister, Benedetto Croce, noted

See BADOGGIO, Page 5

COMEBACK WOULD BE PROVIDED ON RADIO FOR "SLANDERED"

WASHINGTON, Nov. 15.—(AP)—Predicting the Senate interstate commerce committee will write a general charter for broadcasting, Chairman Wheeler (D-Iowa) said today he would seek inclusion of a requirement that persons "slandered" by radio commentators be afforded an opportunity to answer on subsequent programs.

Wheeler said he had no doubt the committee would incorporate into the proposed measure many of the regulations already put into effect by the Federal Communications Commission (FCC), and add some new wrinkles of its own.

"I feel that we should write into the law a requirement that if any commentator slanders a person, then that person should have the right to answer his charges on the same hour and then a same program," Wheeler said in an interview.

The Berlin statement about a Break-through at the trap would seem to be calculated to prepare the German public for another big withdrawal of their forces in that area. As a matter of fact it would be surprising if the retreat already is well on its way.

If this is true, there is direct relation between the retirement in the extreme south and the dangerous extension of the Red wedge which has been driven into the Nazi line at Zhitomir to the north. A deep thrust through the front above the Dnieper Bend would render the German position on the southern flank untenable.

The mighty Russian war machine is gathering momentum as the ground freezes. Thus far the Germans have averted a debacle by the sorcery withdrawal of their unwieldy line, and despite the critical developments there's no sign at the moment that they won't be able to continue falling back with some semblance of order. However, their position has steadily worsened and they're on the broad highway to ultimate disaster.

COMMUNITY CHEST, WAR FUND DRIVES LAUNCHED MONDAY

ADVANCED GIFTS COMMITTEE REPORTS PLEDGES TOTALING \$20,184.90

The store to store and house to house canvass seeking funds for the Corsicana Community Chest and the Navarro County War Fund was launched Monday with a Push Off breakfast at the Navarro hotel attended by committee chairman and workers.

John R. Corley, city chairman of the combined drives, presided. Details of the campaign were explained by J. M. Dyer, president of the Community Chest, Robert Dillard, executive secretary of the combined drives and Corley. Cards were distributed and following the breakfast the committees started to work.

Quota Over 50 Thousand.
The quota is slightly in excess of fifty thousand dollars.

Advanced gifts reported at the close of business Saturday totaled \$20,184.90, according to A. F. Mitchell, chairman. Of this amount \$555 was accounted for by the advanced gifts committee of negro business and professional men and women. The negroes are well organized with 37 block leaders and have set their goal at \$2,000, which Rev. L. F. Hardee, general chairman of the negro division, promises to have by the close of the campaign Saturday night.

The Corsicana Community Chest will provide for ten local agencies while the Navarro County War Fund provides for 17 major war relief agencies.

Every man, woman and child will be given an opportunity to contribute to the campaign and those in charge express confidence that the

HOUSE COMMITTEE ROUNDLY ASSAILS OPA REGULATIONS

BODY ACCUSED OF MAKING "ILLEGAL, ABSURED, USELESS" RULES

By WILLIAM F. ARBOGAST

WASHINGTON, Nov. 15.—(AP)—The Office of Price Administration (OPA) was roundly assailed today by a congressional committee which accused it of having promulgated "illegal, absurd, useless and conflicting" regulations and of having "construed its power to authorize it to sentence citizens of the United States to starvation."

The committee, headed by Rep. Smith (D-N.Y.) and created by the house to keep a check on activities of executive agencies, recommended changes in existing law to "retain and strengthen inflation control and at the same time eliminate the abuses and injustices now apparent."

Conceding a need for "extraordinary governmental action" in time of war to mobilize the nation's economic as well as military resources, the committee said "there are right and wrong ways to accomplish these purposes," the wrong way being by the usurpation of power by executive agencies through "misinterpretation and abuse of powers" granted by congress "and the assumption of powers not granted."

Charge Is Made.
Against the OPA it made this charge: "The Office of Price Administration has assumed unauthorized powers to legislate by regulation and has, by misinterpretation of acts of congress, set up a nationwide system of judicial tribunals through which this executive agency judges the actions of American citizens relative to its own regulations and orders and imposes

See OPA, Page 5

Liquor Hoarding, Tax Dodging May Be Uncovered

WASHINGTON, Nov. 15.—(AP)—The senate judiciary committee today approved unanimously a resolution authorizing an inquiry into liquor industry practices and Chairman Van Nuys (D-Ind) promised some "startling developments."

"I've made some preliminary inquiries," Van Nuys told reporters, "and I think I can promise some real revelations as to tax-dodging and liquor-hoarding."

Announcing a subcommittee would be appointed to start hearings early next week, Van Nuys declared he was convinced "there is enough liquor in this country to last five or six years but it is being withheld from the market."

WHERE RUSSIANS CUT KEY GERMAN RAIL LINK—Capture of Zhitomir, announced by Moscow, cut major German rail connection between Odessa and Leningrad. Zhitomir, 85 miles west of Kiev, is only 60 miles from pre-war Polish border and 120 miles from Bessarabian frontier. Shaded area is German-held; broken line shows front of two months ago—as of September 15. (AP wirephoto.)

LEBANON SITUATION POTENTIALLY GRAVE CAIRO REPORTS SAY

REAL CLASH BETWEEN NATIVES AND FRENCH MAY COME AT ANY TIME

By JOHN F. CHESTER

CAIRO, Nov. 15.—(AP)—The situation in Lebanon is "potentially grave" and a real clash between the natives and the French "might come at any time—no one knows when," Curtis Ryan, controller of the British ministry of information in the Middle East, said today on his return from Beirut.

He said casualties in the political controversy, already had totaled 140, including 10 or 12 dead, and future armed struggles might occur in Lebanon, Syria, and Iraq. Richard G. Casey, British minister of state in the Middle East who returned from Beirut last night, explained Britain's position in the Franco-Lebanese dispute today.

Gen. Georges Catroux, empowered by the French Committee of National Liberation to seek a settlement. Casey, who conferred in Beirut yesterday with Sir Edward Spears, British minister to Lebanon, and Syria, urged Catroux to reach Beirut quickly. Catroux in 1941 promised Lebanon full independence.

The British government, which has been invited to leave the situation, and lodged a protest with the French, also made representations to the French Committee against an attack by French troops

De Marignys Plan Remarriage Today

By E. V. W. JONES

NASSAU, Bahamas, Nov. 15.—(AP)—Shortly after it was learned that he has been invited to leave the Bahamas, Alfred de Marignys announced today that he and his wife, the former Nancy Oakes, would be re-married this afternoon.

The twice-divorced de Marignys said he had obtained permission for the ceremony from the Catholic archbishop in charge of this diocese. He set the time at 2 p. m. and the place as the Francis Xavier Church.

De Marignys was acquitted last week of the murder of his wife's millionaire father, Sir Harry Oakes.

PRESIDENT ASKS CONGRESS PROVIDE FUNDS FOR RELIEF

WANTS MONEY FOR UNITED STATES TO PARTICIPATE IN UNRRA

WASHINGTON, Nov. 15.—(AP)—President Roosevelt today asked congress to authorize appropriations for United States participation in activities of the United Nations Relief and Rehabilitation Administration.

The UNRRA meeting in Atlantic City ends, he said he would inform congress of its result and ask the appropriation of specific sums.

In his message to the legislators, the Chief Executive said that each nation would determine for itself the amount and character of its contribution, and that it was hoped a small fraction of the national income of the contributing member states "would be sufficient to help liberated peoples to help themselves in rebuilding homes, factories, and farms."

The UNRRA agreement, Mr. Roosevelt said, provides only a framework for giving "first aid" in liberated areas and the agency will make a beginning in the tremendous job of aiding war victims. The liberated peoples themselves, he said, will assume the greater share of this task.

UNRRA, the Chief Executive asserted, will help furnish medicine, food, clothing, and basic necessities and services needed to restore

BELIEVED JAPANESE PROPAGANDA CLOAKS IMPENDING LOSSES

FALL OF RABAU MAY BE NEAR AS VICTORY CLAIMS MADE BY TOKYO

By JOHN M. HIGHTOWER

WASHINGTON, Nov. 15.—(AP)—Japan's vanishing victories in the South Pacific, it now turns out, may be intended by Tokyo propagandists to lead into an easy explanation of defeat by Allied forces closing in on Rabaul.

Capital analysts who advanced this possibility noted that it would not be the first time the enemy has used a resounding setback off the books by claiming that a key position had accomplished its purpose and no longer was needed anyway. They used that line after both Guadalcanal and Kiska.

This is the anniversary of the worst straight-out naval defeat ever suffered by the Japanese. The engagement, a series of night actions around Guadalcanal, last Nov. 13-15, secured the American hold on the island and within three months the Japanese were out of there entirely.

AMERICAN BOMBERS DISLOCATE TRAFFIC OVER BALKAN LINES

RAILWAY CENTER OF SOFIA BLASTED HEAVILY IN PRECISION ATTACK

By NOLAN NORGARD
ALLIED HEADQUARTERS, Algiers, Nov. 15.—(AP)—American B-25 Mitchell Medium Bombers ranged in force over Sofia yesterday, making the first air attack on the Bulgarian capital from this theater in a blow designed to dislocate traffic over the whole Balkan rail system, while ground in Italy the battle lines remained virtually unchanged.

Other bombers swept into France for their third crack at the important Antwerp railway viaduct near Cannes the night before, and light bombers shot up the harbor of Civitavecchia on the west coast of Italy.

Recorded by P-38 Lightnings, the Mitchells dipped over Sofia's railway yards in two big formations, dropping tons of explosives on the target. Nine out of approximately 24 German intercepting fighters were shot down in a fierce battle.

Official reports described the bombing as "extremely accurate" with explosives smashing down squarely on locomotive repair shops, car assembly shops, a main line depot, and ripping up the tracks in the yards.

"This successful opening of the Balkan offensive has a far-reaching consequence," an official announcement said.

German Supply Line.
"Through this immensely important rail center German supplies are transported to Greece and down into the islands of the Aegean and also to the Western Balkans. The Sofia railway yards link up with

See ITALIAN, Page 6

CHILD DELINQUENCY IS TAKING TERRIFIC BEATING IN LUFKIN

TEEN-AGE YOUNGSTERS HAVE JUST ABOUT SOLVED PETTY CRIMES

LUFKIN, Nov. 15.—(AP)—Petty crime and misdemeanors are taking a terrific beating from the teenage youngsters in this busy lumber and newspaper capital.

Given a free hand to work out their own corrective program, they have just about solved the juvenile delinquency problem in Lufkin. Half a dozen other cities are studying the Lufkin plan, in which townpeople have provided a downtown clubroom, patterned after USO centers. There kids congregate after school, play ping-pong and otherwise let off steam. An adult hostess stands by, more a counselor than a chaperon.

A student committee, with occasional guidance from an adult board of directors, governs the club, located in a downtown building once used as a restaurant.

The quarters are open all day Saturday and two hours Sunday afternoon. Furnishings include ping-pong tables, a juke box, booths for soft drinks and sandwiches and writing tables and desks. School pictures, posters, slogans and autographs bedeck the walls.

It all began last spring, when parents alarmed over juvenile delinquency decided to do something about it.

The Rev. Morris Elliott, Episcopal Rector, put the problem plainly to a teen-age youngster.

"What is the matter with you kids and what is the matter with Lufkin?"

See LUFKIN, Page 5

Large Number Enemy Vessels Are Destroyed

WASHINGTON, Nov. 15.—(AP)—The Navy today counted a total of 496 enemy vessels sunk or damaged by U. S. submarines with the report of six more Japanese merchant ships and a plane transport sunk, and two other merchant ships hit.

The roll was regarded as particularly impressive since a considerable portion of the enemy's essential merchant ship tonnage is represented in addition to numerous warships, including destroyers and some smaller vessels.

Special significance is attached to each new sinking of a Japanese freighter or cargo transport since the enemy is believed by naval authorities to be so hard pressed for shipping that every loss is a blow at his entire communications system.

Secretary Hull Says No Secret Agreements Made

WASHINGTON, Nov. 15.—(AP)—Secretary of State Hull, in his first public report since his historic conference with the British and Russian foreign ministers, said today that no secret agreements were made in Moscow.

Expressing pleasure over the reception accorded the Moscow declarations by the American public, Hull said the agreement reached among the United States, Great Britain, Soviet Russia and China came about because each of these big nations is trying to push away from isolationism to what he described as sane international principles.

Hull repeatedly emphasized the importance he attached to the Moscow decision looking toward international organization for world peace.

He disclosed that he had been conferring with American leaders from all parties for over a year in an effort to establish a common United States foreign policy.

If we can't cooperate among ourselves, he said, how can we expect to get the cooperation of other peoples Hull added that this country now has a choice of a program of cooperation such as was outlined at Moscow or no program at all.

UNUSUALLY HEAVY ALLIED BOMBINGS NEW GUINEA BASES

TOKYO BROADCASTS CONTINUE TO TELL OF ALLIED LOSSES

By The Associated Press.
Unusually heavy Allied bombings of Japanese air bases on New Guinea brought tonight a growing enemy air strength in that area while Allied ground forces scored new successes in the Pacific war zones in China, Burma and on Bougainville Island.

On the sea, American submarines sank seven more Japanese ships and damaged two others. This, the navy department said in a weekend announcement, brought their toll in the Pacific to 346 sunk, 36 possibly sunk and 114 others damaged.

The Tokyo radio fought the "fourth air battle of Bougainville Island," claiming two more Allied cruisers sunk and three warships damaged. American ships had been sunk when American naval spokesmen tired of denying the daily Tokyo propaganda claims of decisive naval victories.

Actually, Japanese planes did cause some damage in intermittent night-time attacks on Allied shipping in the New Guinea area. This was countered by Allied attacks on Japanese shipping off New Ireland and New Guinea, and the second raid within a week of the Japanese naval base at Sorobaja where American planes dropped 82 tons of bombs on 2,000 mile flight.

Biggest air raid in the Pacific and the heaviest yet in the New Guinea theater brought 223 tons of bombs down on Alexishafen and Madang where the Japanese have reinforced their air strength to strafe Australian troops advancing up the Markham and Ramu valleys. American fighters and bombers flew through heavy anti-aircraft fire to leave fuel and supply dumps in flames. They encountered no interception.

See PACIFIC WAR, Page 5

SOME BATTLE-SCARRED HEROES OF FIGHTING 36TH DIVISION BACK IN SUNNY TEXAS AGAIN

TEMPLE, Nov. 15.—(AP)—Some of the men of the famous, fighting 36th Division are back in sunny Texas from sunny Italy. They are battle-scarred heroes who've gone through war's hell of screaming shells and bursting bombs. Now, here in the quiet of McCloskey General Hospital, their wounds will receive further attention.

Army authorities attached to the hospital authorized the news that men arriving there yesterday were from the state's own 36th Division.

It was the first such American announcement disclosing that this long-trained outfit had seen severe action in the Italian invasion.

The wounded were only a small segment of the whole division. They appeared to be happy up on being brought to Texas. Pvt. Alvis B. Sims of Groesbeck said he thought it was a dream when told he was being sent to Temple and "I'm afraid I'll wake up tomorrow and find I'm back in Italy or North Africa."

McCloskey authorities said the returning men were busy until

BULGARIAN CAPITAL OF SOFIA BOMBED BY AMERICAN PLANES

WAS BULGARIA'S FIRST REAL TASTE OF ALLIED POWER TO DATE

By RICHARD McMURRAY

Associated Press War Editor.
American planes bombed Sofia Sunday, bringing the war home to the capital of Bulgaria which had been holding down her Balkan neighbors of Greece and Yugoslavia with occupation troops.

Other Mediterranean air fleets struck into the French Riviera at the Antheud viaduct leading to Italy to cripple German communications into the Peninsula, where the Fifth and Eighth armies were engaged in inconclusive fighting within 75 miles of Rome. Still other planes bombed Yugoslavia and the Civitavecchia harbor north of Rome.

It was Bulgaria's first real taste of allied revenge for her declaration of war on the United States and Britain shortly after Pearl Harbor.

The Germans threatened dire reprisals on Britain for the Sofia bombing. Berlin said crocodile tears, saying "neither the British nor Americans can claim they were retaliating against Bulgaria, because the Bulgarians have never done anything which could in any way justify such action." The Nazis said many were killed.

Thus in Bulgaria, France, Yugoslavia and Italy, the allies were collecting dividends on the invasion of Italy.

The Russians plunged 30 miles west of recaptured Zhitomir to take Baranovka in a broad advance toward the old Polish frontier.

Soviets Break Nazi Lines.
The Germans said half a million Soviet troops had broken their lines in the Dnieper bend basin between Zaporozhe and Krivoriog.

Their Paris radio called the battle a large-scale offensive on a broad front. The enemy said another powerful Russian offensive was being pressed in the Gomel and Nevel sectors in the frozen north, compelling the Germans to "modify" their lines at some points.

Moscow said the Russians had advanced eight miles within seven miles of Rechitsa, White Russian rail center.

Bitter fighting also was reported in the Crimea around Kerch.

The ground front across Central Italy was virtually unchanged.

On the Aegean island of Leros in the Dodecanese, a British communiqué said the invading Germans had been pressed back to the north and center and were suffering substantial losses.

Planes Aid Garrison.
Middle East planes supporting the British in the Southwest Pacific campaign was in the air, also. Allied bombers dumped 223 tons of bombs on Alexishafen and Madang in New Guinea, struck at Rabaul and Gasmata on New Britain, and raked Euka and Bulu on opposite ends of Bougainville Island which U. S. Marines and

KEEPING THE JUMP

Mary Lou Hughes
And J. D. Matlock
Wed in Dallas

A marriage of interest to Corsicans was that of Miss Mary Lou Hughes of Dallas, daughter of Mrs. F. A. Hughes of Harleton and niece of Dr. and Mrs. W. D. Jones, 5808 Gaston, and Lieut. Joseph Dixon Matlock, son of Dr. and Mrs. John W. Matlock of Frost and former Junior High school teacher here, which was solemnized at Lakewood Country Club in Dallas on Wednesday evening, Dr. Angie Smith read the ceremony and Miss Katie Myrl Parks, singer, and Miss Eleanor Burton presented the music.

The bride who was given in marriage by her uncle, wore a gown of ivory slipper satin made with a scalloped sweetheart neckline and long fitted sleeves which terminated in points over the hands. The midriff was outlined with seed pearl embroidery in leaf design and the full gathered skirt extended into a long, full train. Her full length, two tiered veil of illusion was caught to a coronet of seen pearls. The bride carried an antique Bible topped with a white orchid surrounded with shredded white carnations with streamers of shredded carnations and bouvardia.

Wedding Attendants.
Miss Clifford Matlock, sister of the bridegroom, was maid of honor and Miss Ethel Masters was bridesmaid. E. Carlyle Smith of Grand Prairie, brother-in-law of the bridegroom, was best man, and groomsmen was Mayor J. Woodall Rodgers.

After the ceremony, a reception was held at the Country Club. Receiving were Dr. and Mrs. Jones, Mrs. Hughes, the bride and bridegroom, Dr. and Mrs. Matlock, Miss Matlock, and other members of the wedding party.

Graduate Frost High.
The bridegroom was graduated from Frost High school and the University of Texas where he received his Bachelor of Arts, Bachelor of Science and Master's degrees.

Lieut. Matlock was connected with the history department of the University of Texas before he entered the Army in March, 1942. He received his preliminary training at Camp Barkeley at Abilene and was stationed at Hampton Roads Port of Embarkation.

Mrs. Matlock is a member of the Junior-Senior Dallas Woman's Forum, the American Association of University Women, Kappa Delta, Theta Sigma Delta, Pi and Delta Psi, Kappa, honorary organizations.

Instead of running MacArthur for President now, why not give him a real chance to mop up the Japs? When that's done, if he cares to go political, give him anything he wants.

What will happen to Germany if Hitler dies? This question is often asked. Perhaps what should be asked is: What will happen to Hitler when that event takes place?

Sure, there's gold in them hills; but what interests the American people just now is the coal in those mines.

America is a country where people think they can win a world war by digging coal 35 hours a week—some weeks.

At least we'll emerge from this fracas knowing more than we did before—but how much good will it do us?

INTOLERANCE

Dr. Samuel Eliot, former president of the American Unitarian Association and minister emeritus of a famous Boston church, emerges from his retirement to plead for an end of stupid intolerance and prejudice in this country. "The fate of the uprooted and plundered Jews who survive in Europe," he says, "is a matter of deep and immediate concern to every sensitive mind and heart." He is especially interested in joint action for the rescue and rehabilitation of Jewish children in Palestine.

Such movements should be supported more generously than they are, not merely as charity regardless of race, but also in recognition of Jewish gifts to the modern world. Although small in numbers, they have made large contributions to civilization. Wealthy Jews have been, as a rule, not only charitable to their own race but generous to other races. Their broad philanthropy in this country has been especially notable. It is well to remember such facts at a time when the Hebrews are suffering so bitterly in so many lands.

BAITING BRITAIN

Hitler and Goebbels could get a lot of satisfaction from the Truman Committee's bright idea of making Britain start immediate repayment for lease-lend material. Also from the general tone of the committee's report. Much of it seems unfair, and at best it must have a bad effect on relations between Britain and the United States.

Level-headed commentators promptly remind the committee that this nation is not fighting Britain. Also that, while some abuses naturally creep into a vast, cooperative war plan like lease-lend, there is probably as much to be said on one side as on the other.

Certain it is that Britain held the fort and nearly exhausted her resources until America joined the war, when, as events proved, it was really as much our fight as Britain's. Both nations have escaped an enormous tragedy by the skin of their teeth. Moreover, the Truman Committee should know, and all Americans should realize, that when America entered the war unprepared, the British stripped themselves of sorely needed supplies to bolster our own defenses. And all along, Britain has done what she could to help American armament, providing essential materials of many kinds, feeding American troops in Europe, and so on.

Any antagonizing of Britain now is unjust and unwise. Whatever happens, these two kindred nations with a thousand bonds must get along together.

AWAKENING FROM NIGHTMARE

After the great glow comes reaction. Can all this good news of the first week of November be too good to be true? The battle news from the South Pacific is splendid—that from southern Russia is equally so. That from Italy is good. The coal mines are operating again.

As for the Moscow agreements, so satisfactorily concluded by the four great nations—the American, sunk in war, talking of peace a little off the top of his mind, but prepared in his

thus giving women a technical knowledge of aircraft and a start on a career in aviation when the war ends.
The Air Corps also has room for all sorts of clerks, both typist and non typist.
Mrs. O. C. Minatra and Mrs. Bruce Denbow and son, Ted, from Corsicana visitors Saturday.

RECRUITING DETAIL
SEEKING AIR WACS
HERE NOVEMBER 22

Four members of the Waco Army Air Field, Lieut. William B. Byrnes, Lieut. Evelyn Eifman, S-Sgt. Charles Fessel and Cpl. Jack Armo, will arrive in Corsicana Monday, Nov. 22, and will remain in Navarro County one week for the purpose of interviewing women eligible to join the newest branch of the armed services—the Air WAC.

In order to fill out squadrons and to create new ones, the Army Air Forces must have more women to work side by side with men of the Air Corps on vital jobs. To get these women, the Air Corps is conducting a recruiting campaign that will last until Dec. 7. During this drive, women between 20 and 50 without children under 14 or without dependents, may enlist in the Women's Army Corps and be assigned directly to the Air Corps. These enlistees will be sent to air fields in this area where they will be given their choice of jobs and be trained for the work by the Air Corps.
No previous training or experience is necessary to be eligible for the Air WAC. All types of jobs related to flying will be taught,

Coolidge Pilot
Has Eleven Jap
Planes to Credit

SOUTHWEST PACIFIC ALLIED HEADQUARTERS, Nov. 12—(AP)—Capt. Richard S. Bong of Poplar, Wis., continued today to make a runway of the race for the honor of being the leading American fighter pilot in the Southwest Pacific area.

The latest summation, Nov. 8, gives him a total of 21 Japanese aircraft destroyed in combat—seven more than his closest pursuers in the area and only five from the record-breaking total credited to Marine Major Joe Foss in the South Pacific.

Pressing Bong the hardest are Maj. Edward Craig of Coscob, Conn., and Capt. Daniel T. Roberts of Springfield, N. Mex., each with 14.

Other leaders include: Eleven each—Maj. Gerald R. Johnson, Eugene, Ore., and Capt. Jay T. Rogers, Coolidge, Texas.

White Prospective
Selectees Sent for
Physical Exams

A contingent of white prospective selectees was sent to Dallas Friday from Navarro county draft board No. 2 for physical examinations, including a large percentage of fathers, it was revealed.

J. L. Miller and Sandy Jimerson, negro selectees, were sent to Camp Wolters for induction into the armed forces on board No. 2 Friday. Several others will report to Camp Wolters within the next few days.

Fire Damaged Home
Thursday Evening

Fire of undetermined origin caused damage estimated at \$2,000 at the home of Jerry Roe, 602 North Beaton street, Thursday night about 8 o'clock, fire department officials reported Friday morning. Three rooms and contents were destroyed and other portions of the residence was damaged.

Birth of Baby Boy
Sunday Is Announced

Mr. and Mrs. A. R. Nelson, Sr., announce the birth of an 8 pound 3 ounce baby boy on Sunday, November 7, at the Navarro Clinic. The child was named James David, Mrs. T. J. Pratt, Sr., is the baby's grandparent.

Sister Corsicana Woman Dies.
Mrs. Fannie Simpson, aged 80 years, sister of Mrs. W. T. McEadden of South Sixteenth street, died at her home in Beldin, Miss., Thursday. It was learned here, Mrs. Simpson had visited her sister here on several occasions.

STATE GUARD UNITS
IN DEMONSTRATION
ON THURSDAY NIGHT

Company A, Corsicana, and Company B, Kerens, Texas State Guard units, gave a series of demonstrations on how to handle rioting crowds during an emergency Thursday night on Collin street between Main and Commerce here. Among the formations demonstrated was one for handling a riot, one for dispersing a crowd, one for separating a crowd, one for getting a prisoner out of a building under escort, and various methods of handling disturbances of any kind.

Company A was under direction of Capt. Byford L. Cook, Lt. W. E. Stewart and Lt. John B. Robinson, and Company B was commanded by Capt. Elmer H. Gray and Lieut. Roy Cloud and Jack Anderson.

The armory on North Commerce street was opened for public inspection following the drills and demonstrations and a number of people viewed the equipment of the Guard.

Supplies are furnished the Guard by the U. S. government and present the armory is well filled with the latest equipment. Shoes, hats, canteens, gloves, fatigue clothes, uniforms, mackinaws, knapsacks in fact complete equipment for all occasions and types of weather.

For emergencies the Guard has shotguns, rifles, tommyguns that fire 450 rounds per minute, grenades, Molotov cocktails barbed wire for road blocks, tear gas and other equipment.

The Guard is also well equipped. They have walkie-talkie radios, camping equipment, fatigue uniforms, and other necessary items.

The Guard was organized for specific missions and each company is strategically located and equipped for that specific duty. All units of the Guard operate under the internal security command of the U. S. army and has among its duties the protection of the general public at all times as well as in times of trouble. While federalized one of its purposes is the training of soldiers for the U. S. army.

Company A is a mobile unit and operates between Houston and Dallas in cases of emergency. If the riots in Beaumont had been in Houston the Corsicana company would have been called upon to help according to a statement by Maj. Joe Daniel.

The 37th Battalion is composed of Headquarters Detachment, Corsicana, Company A, Corsicana; Company B, Athens; Company C, Kerens and Company E, Crockett.

The local organizations are seeking enlistments to bring both to full strength. Company A needs 30 men, and Headquarters Detachment needs 15 men to reach their maximum strength and a campaign is now underway to secure recruits for these organizations.

White's Chapel H. D.
Club Hears County
Agent in Discussion

"It is well to be careful in selecting paper for a room," Miss Vera Sneed, Navarro county home demonstration agent, brought out in a discussion, "The Background of a Room," given before members of the White's Chapel club, November 10 at the community center. Mrs. M. Deven and Miss Dot Thompson were co-hostesses.

Miss Sneed continued her discussion by displaying pleasing selections of wall paper. She pointed out that the neutral background of wall paper is more restful than the vivid tones.

During the business session, the club voted to sponsor a Thanksgiving "42" party and pie supper on Friday night, November 19, at the community center. The public is invited.

Mrs. F. P. McCuiston and Mrs. W. N. Hamilton will be co-hostesses at the annual Christmas party which the club will hold at the community center on December 15.

At the close of the business session, the hostesses served refreshment. Visitors were: Meses. Beden Owen, W. M. Young, L. H. Spurlock, Augusta, Ga., and the Misses Horsens Waters, and Louise Spurlock.

Mr. Farmer

Bring us your hens, fryers, eggs and sour cream. We will pay you the highest market price in cash.

STREETMAN BABY DIED ON SUNDAY; RITES ON MONDAY

Funeral services for Kenneth Wayne Folmar, three weeks old son of Mr. and Mrs. L. Folmar, Streetman, who died Sunday afternoon at the P. and S. Hospital, were held at Cadocemery at 11:30 o'clock Monday morning. Rev. J. H. Baldridge, pastor of the Eleventh Avenue Methodist church, conducted the rites.

Surviving are the parents, five brothers, Oscar, Dan, James, Gerald and Ray Folmar, Streetman; a sister, Myra Folmar, Streetman; grandparents, Mr. and Mrs. J. T. Folmar, Richmond; grandmother, Mrs. L. J. Rouse, Streetman and other relatives.

Corley's Funeral Home directed the arrangements.

THE 36TH

CONTINUED FROM FIRST PAGE

The toughest beachhead of the war. The navy didn't shell the German positions because our landing was supposed to be a surprise. But it wasn't.

"We got off our landing barges onto the beaches and walked right into machinegun fire."

Had it figured out Snyder, son of Mr. and Mrs. June Rawlins, said "the Germans had it all figured out. They were waiting for us in the hills everywhere."

Rawlins received a severe concussion on Salerno beach the day of the invasion but fought on for seven more days before that injury and one received in North Africa forced him out of action.

"The landing was plenty rough," said Rawlins. "Off the beach, the tanks rolled in. Seven in a bunch hit us. We got to our hill objective seven miles inland but enemy armored units were waiting for us there, too."

It is going to take longer to take Italy than a lot of folks thought the war would last."

Pvt. George Pollock of Groesbeck said that "if the Germans had kept up the counter-attack they started against our positions Sept. 12, they would have pushed us into the sea. We hadn't got our armored vehicles in. Our air force moved in the 14th and really pounded 'em. That turned the tide."

Wounded Twice

Pollock, member of Mexico's old national guard outfit, was wounded twice in the left arm and lost part of one finger on Sept. 15, day the counter-attack was smashed near Salerno.

On the day of the invasion, Pollock said, the Germans "were waiting for us. A few groves provided all the cover available on the beaches. Our battalion was used to reinforce a ranger battalion at Salerno 'at all costs'."

"The artillery and mortar fire was heavy. We lost many men but we held it."

Praise for the 36th came from a man in another outfit. Pvt. Thad Knittel of Burton, Washington county, who lost a hand in a mine explosion. He was a member of a replacement battalion.

Knittel said that the "men of the 36th really held their own. If it hadn't been for them, we probably would have been driven off the coast."

Never Got a Scratch

Pfc. Robertson, 38, of Abilene, supply truck driver, told how he had hauled shells up to the battery of 105MM howitzers from El Gueter to Tunis, driving along without lights over mountain roads pitted with shell holes, and never got a scratch. Then, coming back from Tunis when the campaign was over, with his relief driver at the wheel, the truck turned over and Robertson got smashed up. He grinned broadly and said he hoped to get well soon and go back to his outfit.

Pvt. Theo Thomas of Waco got a piece of shrapnel in his shoulder in the Sicilian fighting. During the action at Cerami, Thomas and his unit had just issued from a grove of olive trees where they had been resting, when a shell burst overhead. They thought it was from Yank artillery. Some of the German shells "up and they'd lift that range." Then 83 millimeter shells started coming over from the direction of the Germans. The soldiers scattered.

Shells Drop

While Thomas was heading for a big gully that ran nearby, a shell wounded him and killed his corporal. Thomas ran on and was just getting into the gully when German shells started dropping into it, killing the men there. The Germans evidently had laid their guns on the shelter ahead of time, Thomas said.

Staff Sgt. Ray Hearne Jr., city secretary at Fremont before entering the service in January of 1942, was in Egypt by June as a liaison man and sergeant major in an air force unit. He had to come because of an old injury, burns suffered when he and some buddies in a truck rolled over a land mine at Tobruk in December of 1942. He says he now wants "to get down in the Southwest Pacific and see what calibre the Japs are. I hear they're pretty hot."

Pvt. Sims, Groesbeck farmer before he entered service in 1941, went in with the first wave on Salerno and said all was quiet until the ramps of the landing ships were let down for men to go ashore. Then, he said, all the German guns opened up and the men began to seek cover in the irrigation ditches.

Had to Wait Eight Hours

Shrapnel from a German shell shot away part of Sims' elbow several hours after the landing. He moved inland about six miles from the beach after he was wounded but became weak and had to wait eight hours—with German shells whizzing overhead—until he was picked up. He said German tanks and men passed by him and other wounded, apparently thinking them dead.

To Corp. Thomas Hovenkamp of Fort Worth, son of Mr. and Mrs. Ed Hovenkamp of Justin, Denton county, Texas, who joined as a replacement in a Gonzales infant-

You Can't Take It With You

(AN EDITORIAL)

Will Corsicana and Navarro county citizens show the same gallant spirit of self-sacrifice on the home front that is being shown daily by the home town boys fighting and dying on the global battle fronts?

The first real test of strength on the home front is being made with the launching of the combined drives of the Corsicana Community Chest and the Navarro County War Fund.

The quota for the combined campaigns totals slightly in excess of fifty thousand dollars. The Community Chest provides for ten local agencies while the War Fund provides for seventeen major war relief agencies.

These campaigns will be the acid test of the patriotism of our citizenship.

We must meet this responsibility. It is a personal debt we owe the men and women in uniform—there will be no excuses for not meeting this debt—it is money badly needed—there must be no breakdown on the home front.

What will our boys in uniform—the home town boys betting their lives every day on every front around the world, think if we should fail to ante a measly fifty thousand bucks?

Here we are sitting safe and snug at home with over fourteen million dollars on deposit in the Corsicana banks. We hardly know a war is being fought. We have never been bombed—we have only the slightest idea of what an invading army would mean—we read of the atrocities by the Japs and Germans—of men killed daily on the battlefields—occasionally the war is brought closer with a reported "missing in action" of a relative or friend—but the war is far, far away as far as the rank and file is concerned. Nothing to worry about but rationing—wouldn't the soldier dodging enemy bullets for days at a time get a laugh out of that. Money is not a very important item to him when the big shells are bursting nearby and the enemy tanks are charging headon with airplanes overhead dropping death-dealing block busters.

Just fifty thousand dollars out of the millions on deposit here—that is all that is asked.

Give these campaigns some serious thought—dig deep—show your fighting men that we on the home front are backing our fighting men on the battle fronts.

This is your responsibility—you must meet it.

Dedicatory Services For Pleasant Grove Baptist on Nov. 21

Dedicatory services for the Pleasant Grove Baptist church will be held Sunday, Nov. 21, it has been announced.

Services will start with the dedication sermon at 11 o'clock Sunday morning by Rev. Roy Alford, Tipton.

Lunch will be served at the noon hour and those attending are requested to bring baskets.

Rev. A. L. Meador will bring the evangelical sermon at 1:30 p. m., and at 3 o'clock Rev. Greer Griffin will preach the admonitory sermon.

Rev. T. R. Vaughn will give the dedication prayer.

ry unit, the Salerno landing was a grim fourth of July spectacle.

Hovenkamp tells of the rough going in the 36-passenger Higgins boats which brought the landing parties nine miles in to the beach. He was two miles inland when shrapnel hit him in the left leg and disabled him.

Getting out of these landing craft was a precarious job and it cost a fractured ankle to Pvt. Noel Canales of Salento, Starr county, Texas.

The fire on the beach was very heavy and we lost a lot of men there, says Canales. He was in a company from Lockhart.

Soldier To Be Visitor

WACO, Nov. 15.—(P)—Sgt. Homer Jones of Tallulah, Okla., recuperating from Sicilian battle wounds at McCloskey Hospital, Temple, Texas, tomorrow will have a visitor he wanted to see.

The sergeant stated recently that he wanted to contact an uncle he had not seen in 10 years. The request was published and the uncle, Ozzie Hamilton of Leroy, Texas, read it.

"Sure I'm going down to see him," Hamilton said today.

Jones suffered shrapnel wounds in his right shoulder and arm during a tank battle the fourth day after he had landed at Omaha, Sicily, with the first assault on that point.

Four hours after the landing, the tanks struck, he related, adding "it was rough."

Angus H. D. Club
Met John Ware Home

Nine members and one visitor met in a regular session of the Angus Home Demonstration Club at the home of Mrs. John Ware recently. Mrs. Whitfield was the guest.

The next meeting will be held in the home of Mrs. Tom Ware on November 17.

Wayland Jennings formerly of Alice, is visiting his mother, Mrs. Sam Jennings before going to Victoria to resume his work for the Republic Supply Company.

Dorothy Jean and Joan Hardy of Waco visited Miss Ann Bain in Kerens over the week end.

Beginning Sunday night Nov. 14 the Presbyterian church will hold a series of evangelistic services with Dr. Matthew H. Arnold, of Corsicana in charge. The services will continue through Sunday, Nov. 21, with preaching at 10 a. m. and 7:30 p. m. each day.

Fairfield History
Club Held Meeting

FAIRFIELD, Nov. 15.—(Spl)—The History Club met Nov. 4 at the Club House and was directed by Mrs. H. M. Parker. The program was on short story and Mrs. Parker gave the history.

Mrs. Woodrow Ivy gave a short story taken from "The Four Seasons" by Henry. Miss Martha Belle Stroud played two piano solos, "Berceuse," from Jocelyn, and "The Veil Dance."

After a business session, a social hour was enjoyed with Hostesses Mrs. L. L. Bonner, Mrs. J. M. Danner and Mrs. J. D. Burleson.

Fairfield Girl Weds
Kansas Man Here

FAIRFIELD, Nov. 15.—(Spl)—Miss Hazel Thompson, daughter of Mr. and Mrs. C. L. Thompson of Fairfield, and Dawson L. Shankles of Kansas, were married Saturday evening at the First Baptist church in Corsicana, with the Rev. J. I. Cartledge officiating.

Mrs. Shankles is a graduate of the Fairfield High school and Mr. Shankles graduated from Roslin, N. M., high school.

The only attendants were Miss Marjorie Tate and Mrs. Mollie Rodgers of Fairfield.

ELMER PERRY TO BE BURIED ON TUESDAY AFTERNOON AT RICE

Elmer Perry, age 39, died at an early hour Monday morning. Funeral services will be held from the Methodist church in Rice Tuesday afternoon at 2:30 o'clock with the rites being conducted by Rev. C. O. Hightower. Burial will be in Rice cemetery.

Surviving are his wife, two children, Nellie Ann and Jimmie Hayne Perry, Rice; father, Ike Perry, Hillsboro; a sister, Mrs. LeRoy Hamilton, Ennis, and other relatives.

Sutherland-McCammon will direct the arrangements.

New Ministers at Kerens Methodist, Church of Christ

KERENS, Nov. 15.—(Spl)—Rev. Maggart Howell, has been named pastor of the First Methodist church of Kerens by the Central Texas Conference held in Ft. Worth last week, to replace Rev. Roy Johnson, who was transferred to Gorman, Texas, after a year's stay in Kerens.

Rev. Howell was pastor of Central Methodist church of Corsicana and of the First Methodist Church of Blooming Grove before he enlisted in the U. S. Army as chaplain. He remained in the army more than a year and was given a medical discharge because of ill health a short time ago. The pastor, his wife and two children arrived in Kerens Wednesday and Rev. Mr. Howell assumed his church duties Sunday.

H. D. Smith, new minister of the Church of Christ, began his work in Kerens some weeks ago, but was unable to move to Kerens until recently. He is assisted in his work by his wife. Before coming to Kerens Mr. Smith had evangelized work around Dallas, and attended ministerial school.

Kerens Young People
Enjoyed Hay Ride

KERENS, Nov. 15.—(Spl)—A group of Senior Intermediates and Young People of the B. T. U. of the Baptist church enjoyed an old fashioned hay ride Thursday evening with Mr. and Mrs. C. W. White, Mr. and Mrs. A. L. Bain and Mrs. Lonnie Crawford as sponsors.

Two wagons, filled with hay furnished the means of transportation and during the evening some thirty miles was traveled by the crowd before returning to the A. L. Bain camp grounds 12 miles southeast of Kerens where a supper consisting of stew, cake and coffee was served. Twenty-nine were present and to many it was the first hay ride.

Fairfield Navy Man
Weds Navy Nurse

FAIRFIELD, Nov. 1.—(Spl)—Tilden R. Childs, S. S. F. U. S. navy, and Miss Alice Hallums, navy nurse, were married in the Methodist church at Los Angeles, Calif., on Oct. 28, the Rev. Francis E. Cook officiating.

Their attendants were Mr. and Mrs. Herbert Lacy. They will make their home in Long Beach, Calif.

Tilden is the son of Mr. and Mrs. Otto Childs of Fairfield.

Caton Mule Barn Damaged by Fire

Damage estimated at \$750 was sustained in a fire at the old Caton mule barn site in Northeast Corsicana Friday afternoon at 3:30 o'clock when a barn belonging to Ed Puckett, and three saddles, 700 bales of hay and other property belonging to E. W. Hayes was destroyed by fire.

Fire Chief H. P. Bivins said the blaze was attributed to electric wiring in the building.

Sick and Convalescent.
Sam Roberts, Corsicana High School football player, had both bones in his right leg broken in the game with Cleburne Thursday night. He is reported resting well at the Navarro Clinic where he was brought for medical treatment.

Mrs. E. C. Ray is a medical patient in the P. and S. Hospital. Mrs. J. C. Freeman is reported seriously ill in the P. and S. Hospital where she recently underwent an operation.

Sick and Convalescent.
Louise Wheeler had a tonsillectomy at the Waters Clinic. Thomas E. Johnson, Purdon, is in the P. and S. Hospital for treatment for wounds about the face and hands received Friday afternoon when a shotgun was accidentally discharged. His condition is reported fair.

Kerens 26, Mildred 6.
Kerens Roberts defeated the Mildred Eagans in Kerens Tuesday afternoon, 26-0, in their district 21-B conference game and remained at the top of the percentage table with the Hubbard Jaguars.

REGULATIONS FOR HIRING WORKERS BEING OVERLOOKED

War Manpower Commission regulations concerning the hiring of workers who have not been in the local WMC area during the past 30 days is being overlooked by some Navarro county employers, according to M. E. Reedy, manager of the U. S. Employment Service in Corsicana, and these employers should acquaint themselves with the provisions of the employment stabilization plan before hiring these individuals.

This regulation applies whether or not the individual possesses a statement of availability. Mr. Reedy stated, and is designed to curb the unnecessary migration of workers from one area to another, which results in much lost time to the individual and the war effort, not counting the use of tires, gasoline, and other items necessary to travel from place to place in search of work. In addition, this phase of the employment stabilization plan is designed to curb the movement of workers from critical labor shortage areas where they are vitally needed to areas where the labor shortage is less critical.

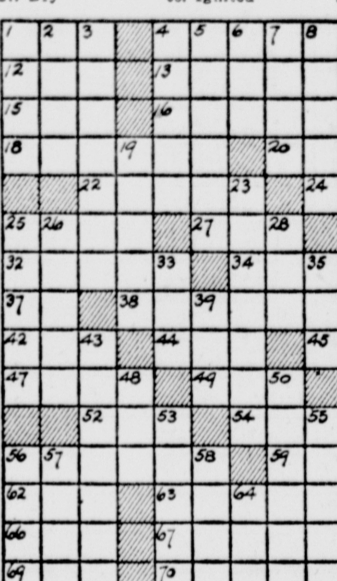

Employers who are doubtful about their prospective new employees should contact the U. S. Employment Service for full information before putting the new employee on their pay roll, and thus avoid the possibility of hiring a worker whom it would later develop, was hired in violation of the employment stabilization plan for the local area. This regulation applies to both essential and non-essential employers. Mr. Reedy added.

One of the oldest clocks in the world is in the Clock Tower of Venice, where it has been ticking since 1496.

WHO ELSE WILL HELP THEM IF You DON'T

If you're like most people, you're waiting around to "let George do it." Sure, you've contributed something, but you've got the idea in the back of your mind that there are millions of other people all over the United States who are contributing, too.

The thing you've got to remember is that those millions of other people are pretty much like yourself. They're expecting the other fellow to carry on the work, which adds up to a handful of folks to give all they've got and a multitude of once-or-twice contributors.

Men don't go to the battlefield once or twice. Women and children don't experience the wartime starvation and illness once or twice. The job we've got ahead of us—the job of winning this war—calls for the kind of people who give all they've got! Not once or twice. Get the habit of including the war in your budget. Be thankful you don't suffer the horrors, the realities of war right in this country. Be thankful that all you're asked to do is give.

WAC AIR SERVICE SEEKING RECRUITS HERE NOVEMBER 22

Armed with one of the most attractive offers yet made to women by a branch of the armed forces, a recruitment team from the Waco Army Air Field will arrive in Corsicana Monday, Nov. 22, to induce women from 20 to 30 to join the newest branch of service—the Air WAC.

Made up of Lieut. William Byrnes, Lieut. Evelyn Eifman, Sgt. Charles Fessel and Cpl. Jack Armo, this team will remain in Navarro county for one week to qualify women for the Army Air Corps.

During this Air Corps drive, which will conclude Dec. 7, women from 20 to 30 without children under 14 or dependents, may enlist in the Women's Army Corps and be assigned directly to the Air Corps. They will be sent to air fields in the Central Flying Training Command, which emphasizes the type of work they prefer. They will be trained in this work by the Air Corps.

The Air Corps is making this offer because it needs women badly to help carry out the Air Corps' growing program. Men can be drafted to take over the jobs, but it has been found that women who volunteer make happier and more efficient soldiers than older men who have been taken from homes and families.

O.P.A.

CONTINUED FROM FIRST PAGE

drastic and unconstitutional penalties upon those who deprive them in certain instances of vital rights and liberties without due process of law."

The OPA was not alone in seizing legislative and judicial functions, the committee said, promising to expose in future reports "other executive agencies."

The committee said documents found in the files of David Ginsburg, former OPA general counsel who was indicted into the Army last April, proved that "a paramount purpose" of legislation drafted by Ginsburg and Leon Henderson, first OPA head, was to place, so far as possible, final and non-reviewable power and authority in the hands of the administrator.

Report General.

Beyond that, the report dealt generally with OPA as a whole, rather than with any individual agency. The committee said it found that OPA "has developed an unauthorized and illegal judicial system and that through the mass of rules and regulations daily enacted by that agency it has developed a most intricate and involved administrative review machinery that litigants are completely bewildered by the maze of procedure through which they must wade, and eventually arrive at a court which will grant them only the crumbs of judicial relief."

"This situation must be changed and changed immediately," it stated.

Victor Stroud vs. Andy Stroud, divorce granted.

B. L. Pope vs. Lillian Pope, divorce granted.

The state announced ready in the case of the State of Texas vs. Frank Odell, negro, murder, but a defense motion for a continuance due to the absence of material witnesses was granted. The jury for the week and the special venire summoned for the case were finally excused by A. P. Mays, district judge.

Odell was indicted in connection with the fatal shooting of Sylvester Lewis, another negro, March 15, 1941.

District Clerk's Office

Ben Levy vs. Walter Wilbanks, et ux, application for a temporary restraining order.

Lola Mae Rogers vs. Lonnie Lee Rogers, divorce.

WINNERS REPORTED OF BENCH SHOW AT FOX HUNT FRIDAY

One of the best meetings of the Navarro County Fox and Wolf Hunters association in recent years was held Friday at Camp Eddie Smith, with a large crowd present.

Music in the afternoon was furnished by Dewey Brackard and his swing band of Frosh.

Dinner with plenty of barbecue and all the trimmings was served at 6 p.m.

Judges on Program

County Judge E. D. McCormick spoke briefly, while A. P. Mays, district judge, was the main speaker of the evening.

A fine fox chase was enjoyed about midnight to end one of the best meets ever staged by the association, according to F. M. Copeland and A. R. Cook, president and secretary, respectively, of the organization.

Hardy D. Jones of Kerens won first place in the junior horn blowing contest with Kenneth Stroder of Frost second. Buddy Wells of Ennis and Charlie Kennedy of Purdon tied in the senior horn blowing contest.

The bench show was conducted by President Copeland as chairman; M. E. Wallace of Corsicana was ring announcer, and Miss Alyce Lee Cook was secretary. Judges J. W. Elliott of Mexico and C. C. Scott of Waco. Some of the best blooded hounds of the country were in the contest.

DISTRICT LEGION CONVENTION MEET KERENS NOV. 21

BRYAN, Nov. 15.—Earl Parsons of Bryan, commander of the Sixth District, American Legion, Department of Texas, has called a district convention at Kerens, Sunday, Nov. 21.

The purpose of the convention, according to Commander Parsons, will be to discuss ways and means for the discharge of the Legion's responsibility to service men of the present war and to their widows and orphans. Other business that may come before the convention will be transacted.

Each post is urged to send, among other representatives, its service officer, as a representative of the state service office will be at the convention to discuss veterans' problems.

ITALIAN CONTINUED FROM FIRST PAGE

rail routes through Hungary, Rumania and Bulgaria in connection at Sofia would have the effect of dislocating traffic over the whole Balkan rail system.

In all the day and night air operations, including fighter sweeps over the battle areas and attacks by fighter-bombers on railway targets, camps and motor transport yesterday in northern Italy and Yugoslavia, the allies listed one plane as lost.

Concerning the ground fighting across Italy the daily communiqué said only that the Eighth army had carried out successful patrol actions while on the Fifth front the enemy maintained a firm defense.

Both sides appeared to be consolidating positions and bringing up reserves for an impending major battle during a period of lull and sporadic rainfall.

Rattlesnakes, owls and weasels have been found sharing the burrows of the prairie dog.

The average annual salary of school teachers during the years of World War I was \$655.

THE WAR TODAY

CONTINUED FROM FIRST PAGE

It's an amazing thing that the Russians have been able to keep their terrific offensive moving through the terrible fields of mud produced by the fall rains, especially as they had been driving steadily since July 12 and by all the rules of war were due to pause for rest, repairs and consolidation of gains.

While the Hitlerites have been able to retreat without falling into a general rout, they not only have been suffering heavy casualties but have lost a colossal amount of material.

If Hitler's war industries were running full blast, and pouring out great quantities of supplies as they did in the early part of the war, then his recent losses in equipment on the bloody battle-fields of Russia wouldn't be so serious. But the American and British bombing team is ripping the German industrial centers to pieces.

As things stand, the fate of the retreating German forces is bouncing about like the ball in a roulette wheel, and nobody can say where the ball will drop.

Germans Assume Control

ISTANBUL, Nov. 15.—(AP)—Reports emanating from the Balkans said today that the Germans have assumed complete military control of all of Bulgaria's Black Sea ports.

NOTICE TO WAR WORKERS!

A Few Drops at First Sniffle or Sneeze

Helps Prevent Many Colds From Developing

A cold may mean lost days—lost pay. Put a few drops of Vicks Vapo-Nol up each nostril—at first sniffle, sneeze or sign of a cold. This simple precaution aids natural defenses against colds, and so helps prevent many colds developing—if used in time. Try it! Follow directions in the package.
